

REMARKS

In the Notice of Allowability mailed July 29, 2009, the Patent Office required formal drawings as set forth in the Notice of Draftsperson's Patent Drawing Review mailed August 27, 2003.

In the preparation of the replacement sheets for the drawing, the following changes were made:

- (1) The applicant's and company's information was updated in Figs. 4 and 8; and
- (2) The reference numeral "20" was removed from Fig. 3B as it is not used in the specification with respect to Fig. 3B.

No new matter has been added.

It is respectfully submitted that the enclosed formal drawings are completely responsive to the Notice of Allowability and that proposed amendments are acceptable and do not add any new matter.

Respectfully submitted,
BRYAN CAVE POWELL GOLDSTEIN LLP
